### Standard - for any application

Separator with a wide base for maximum holding strength in the e-chain®.

\*Available upon request. Please consult igus® for delivery time.

### For even faster installation

Wide on one side for high holding strength, narrow on opposite side for easy cable fitting.

### For small cables

Separator with a narrow base for a large number of small cables side by side. Saves space in the e-chain®.

\*Available upon request. Please consult igus® for delivery time.

### Locks securely in preset increments

Notch separator for exact positioning in e-chains®. Recommended for side-mounted applications.

### Horizontal separation

Full-width shelf locks securely into separators at both ends, giving a fixed width. Can be used as full-width or partial shelf.
